Scope

- 2.1 These General Terms and Conditions apply to all purchase agreements, including both Goods and Services, unless otherwise explicitly stated.
- 2.2 The applicability of the Supplier's general terms and conditions, or any other terms and conditions used by the Supplier, is expressly rejected unless explicitly accepted in writing by TTEP.
- 2.3 Any deviations from these General Terms and Conditions shall be valid only if agreed in writing between TTEP and the Supplier.
- 2.4 The nullity of certain provisions included in these General Terms and Conditions will not affect the validity of the other provisions. In case a certain provision of the Agreement or these General Terms and Conditions is considered void or annul, the remaining provisions will remain in force and Supplier and TTEP will consult in order to replace the void or annulled provision according to the scope and purpose of the void or annulled provision.
- 2.5 Postponement or delay in exercise of any right, unless explicitly specified otherwise, shall not detract from any contractual right, nor will this limit any rights under this agreement.
- 2.6 TTEP has the right to ask the Supplier to complete a 'Know Your Customer' questionnaire. The Supplier is obliged to complete this questionnaire truthfully and to share the necessary information with TTEP within the indicated period.

- 2.7** These General Terms and Conditions can be downloaded from the website of TTEP and are available for inspection at the offices of TTEP. TTEP shall provide a copy of these GTC on request at no cost

CLAUSE 3

Service performance and delivery

- 3.1** The Supplier shall render the Services in accordance with professional diligence, the highest (industry) standards, and all applicable laws and regulations.
- 3.2** Services shall be performed in accordance with the agreed scope, specifications, and timelines set forth in the Agreement, or relevant purchase order.
- 3.3** The Supplier shall ensure that its personnel, subcontractors, and representatives involved in the provision of Services are adequately qualified, trained, and competent to perform the Services to TTEP's satisfaction.
- 3.4** The Supplier shall promptly notify TTEP in writing of any anticipated delays, deficiencies, or obstacles affecting the performance of Services and propose mitigation measures

CLAUSE 4

Quotations, Offers, Agreements

- 4.1** All price quotations and offers issued or made by the Supplier shall be irrevocable, and shall remain valid for thirty (30) days from the time of their receipt by TTEP, unless a specific request for a price quotation or offer states a different term.
- 4.2** If a price quotation or offer issued by the Supplier is followed by a written order from TTEP, the Agreement shall be deemed to have been concluded with TTEP's dispatch of the written order to the Supplier.
- 4.3** The Supplier shall confirm the order in writing whenever TTEP so requests, in which case the Supplier shall be obliged to provide any such confirmation within fourteen (14) days.
- 4.4** Where orders are to be fulfilled under a master agreement, an Agreement shall be deemed to have been concluded whenever TTEP dispatches a relevant order for a (partial) delivery of Goods under and in accordance with the master agreement.
- 4.5** Any of the procedures described above may also be implemented using electronic messages (such as EDI

or Email) or fax messages, and any such messages shall be regarded as written communications.

- 4.6** All plans, drawings, models, specifications, instructions, inspection requirements and the like provided or approved by TTEP for the performance of the Agreement, irrespective of their form and regardless of whether they were provided or approved before or after the Agreement was entered into, shall also constitute part of the Agreement.

CLAUSE 5

Prices

- 5.1** Prices shall be fixed and are expressed in Euros and excluding value added tax, unless otherwise agreed upon in writing between TTEP and the Supplier. The Supplier shall be liable for all taxes and levies due in respect of the Goods supplied with the exception of value added tax.
- 5.2** Prices shall include all costs relating to the Supplier's performance of its obligations, including the costs of transport, clearing, insurance and packaging (except for any loan packaging), any subcontractors, travel- and hotel expenses.

CLAUSE 6

Delivery

- 6.1** In this Clause, the term 'delivery' shall be understood to include partial deliveries. Partial deliveries shall be permitted only if expressly authorised by TTEP in writing.
- 6.2** Delivery shall take place at the agreed time and place, DDP (Incoterms 2020). For services, delivery is defined by milestones or deadlines specified in the Agreement. The Supplier shall be in default immediately if it exceeds an agreed time for delivery.
- 6.3** If any of the Goods are not delivered within the agreed time for delivery in conformity with the Agreement and at the agreed place, the Supplier shall be liable to pay to TTEP, without any prior warning or notice being required, 1% of the total value of the underlying purchase order for each calendar day until correct performance. The Supplier shall pay the penalty to TTEP on first demand. Payment of the penalty shall be without prejudice to any other rights or remedies of TTEP, including the right to demand specific performance of the obligation to deliver the Goods in conformity with the Agreement and the right to claim damages to the extent that the actual loss or damage exceeds the amount of the penalty. Any penalty due by the Supplier shall be deducted

from the amounts payable by TTEP, regardless of whether the claim for payment has been assigned to any third party.

- 6.4** As soon as the Supplier becomes aware or suspects that it will be unable to meet the terms of the Agreement, the Supplier shall send written notice to TTEP without delay. Any such notice shall indicate why the Supplier cannot or may not be able to meet its obligations. The Supplier and TTEP shall thereafter discuss how further to proceed, it being understood that the final decision in this regard shall lie with TTEP, without prejudice to the rights of TTEP by law or under the Agreement.
- 6.5** Deliveries made by the Supplier shall be accompanied by all information required for proper use of the Goods and by all inspection, testing, examination and warranty certificates and documents that may be available.
- 6.6** No inspection, testing or examination of the Goods under the terms of Clause 16 shall be construed as constituting delivery, acceptance or any transfer of the risks of loss or damage.
- 6.7** If TTEP, excluding rejection of the delivery, for whatever reason, is not able to receive the Goods on the agreed upon date, TTEP will not be in default. Supplier shall store, protect and insure the Goods in agreement with TTEP. Supplier will provide this service based on a reasonable fee, to be agreed upon with TTEP.

CLAUSE 7

Quality and Warranties

- 7.1** The Supplier warrants that the Goods supplied conform to the agreed specifications and shall be new, free of defects, fit for their intended purpose and in compliance with all relevant legal and governmental requirements and with the safety and quality standards applicable within the industry and TTEP policies, unless otherwise agreed upon in writing between TTEP and the Supplier.
- 7.2** The supplier warrants that the Services shall be performed in a professional, diligent and workmanlike manner, free from defects, errors, and material deviations from the agreed specifications for a period specified in the Agreement.
- 7.3** If defects or shortcomings of the Services are discovered within the warranty period, the Supplier shall, at its own expense, rectify the shortcomings and

ensure compliance with the original specifications.

- 7.4** The Supplier's warranty that the Goods shall be valid for at least one (1) year. Expiry of the warranty term shall not, however, prejudice any of the rights conferred on TTEP by law or under the Agreement. While effective, the agreed warranty shall involve at least an obligation for the Supplier to remedy any shortcoming by repair or replacement reported by TTEP to the Supplier in writing within the warranty period, and to do so as soon as possible and at the Supplier's own expense (including any associated costs). As regards any modified, replaced or repaired Goods or parts supplied under the terms of this warranty, the full warranty period shall revive.
- 7.5** No approval and/or acceptance by TTEP of any drawings, specifications, diagrams or other information shall detract from the Supplier's responsibility to ensure that the Goods are in conformity with the Agreement.

CLAUSE 8

Acceptance of Services

- 8.1** Upon completion of Services or any defined Milestone, the Supplier shall submit relevant Service Deliverables to TTEP for review and acceptance.
- 8.2** TTEP shall have a reasonable period of [X] business days to inspect and evaluate the Service Deliverables and performance against the agreed Acceptance Criteria.
- 8.3** If the Services or Deliverables do not meet the agreed standards, TTEP shall issue a written notice to the Supplier detailing the shortcomings and setting a reasonable cure period.
- 8.4** The Supplier shall, at its sole cost, correct any defects or non-conformities identified by TTEP within the agreed-upon compliance time.
- 8.5** Failure to remedy shortcomings within the cure period may result in TTEP exercising its right to reject the Services, withhold payment, or terminate the Agreement.

CLAUSE 9

Key Performance Indicators (KPIs) of Services

- 9.1** Where Services are applicable, the Supplier and

- TTEP shall enter into an Agreement defining:
- Minimum performance standards, KPIs, and reporting obligations.
 - Response times for issue resolution, maintenance, or support services.
 - Remedies and penalties applicable for failure to meet performance obligations.

9.2 Persistent failure to meet the requirements shall entitle TTEP to apply penalties, demand service credits, or terminate the Agreement.

CLAUSE 10

Environment, Safety & Health

10.1 When issuing an offer or quotation, the Supplier undertakes to provide the fullest possible information on any adverse environmental aspects of the Goods, either on its own initiative or at TTEP's first request, prior to the placing of order. The requisite information is not limited in any regard and shall include data on raw materials, the product, packaging and potential polluting aspects at the end of the economic life of the Goods.

10.2 The Supplier and its employees and sub-suppliers shall duly observe all applicable safety, health and environmental rules in connection with the Agreement and the Goods. The same applies to any company rules and regulations adopted by TTEP in the fields of safety, health and the environment.

10.3 The Supplier shall be liable for any damage caused by or in connection with any non-compliance with the provisions of Clauses 10.1 and 10.2.

10.4 The Supplier is aware of the fact that TTEP intends to purchase products from suppliers who guarantee high quality and efficiency levels.

CLAUSE 11

Packaging and Dispatch

11.1 All Goods that are not subject to specific packaging or dispatch requirements shall be packaged properly, in accordance with industrial practices, in a manner suitable for transport and storage or transshipment. All Goods that are subject to specific packaging or dispatch requirements shall be packaged in accordance with such requirements.

11.2 All packaging shall be marked in accordance with TTEP's instructions, showing at the very least TTEP's order number, the product name, the factory article code, the quantity and the name of TTEP's contact. All

packaging, except for loan packaging marked as such by the Supplier, shall become the property of TTEP at the moment of delivery. TTEP may, however, waive its right to ownership and oblige the Supplier to take back the packaging.

11.3 Loan packaging and packaging of which TTEP declines to accept ownership shall be returned at the Supplier's risk and expense to a destination reported by the Supplier. Should the Supplier fail to report such a destination, TTEP shall have the right to return the packaging to the Supplier's address at Supplier's cost.

11.3 The Supplier shall be liable for any loss or damage resulting from or associated with any delivery of Goods not packaged in accordance with the provisions of Clause 11.1.

CLAUSE 12

Ownership and Risk of Loss or Damage

12.1 Subject to the provisions of Clause 16.6, ownership and the risk of loss or damage to the Goods to be delivered shall pass to TTEP at the moment of delivery (i.e. as soon as the Goods are accepted by TTEP at the agreed place of delivery).

12.2 Contrary to Clause 12.1, ownership of any Goods to be delivered shall pass to TTEP at the moment that any full or partial payment is made in respect of those Goods or when TTEP requests a transfer of ownership prior to their physical delivery. The Supplier shall take any required or requested action to effect the transfer of ownership, and the Supplier shall identify the Goods in question as property belonging to TTEP and shall indemnify and hold TTEP harmless from and against any loss, damage or the performance of rights asserted by any third party. Between the transfer of ownership and the moment of physical delivery, the risk of loss or damage to the Goods shall remain with the Supplier. The Supplier shall be obliged to insure the Goods referred to in the previous sentence against all risks and at its own expense.

12.3 Before making any payment for the Goods, TTEP may require the Supplier to provide an unconditional and irrevocable bank guarantee, to be issued at the Supplier's expense by a bank acceptable to TTEP, as security for the performance of the Supplier's obligations in lieu of or in addition to the transfer of ownership.

CLAUSE 13

Changes

info@ttep.nl
TTEP.nl

13.1 TTEP may require the Supplier to make changes in the nature and quantity of the Goods to be delivered, provided that such changes are fair and reasonable. Changes shall not be considered fair and reasonable if it may reasonably be assumed that the Supplier would not have entered into the Agreement had the Supplier known the nature of the changes beforehand. TTEP shall specify any required changes to the Supplier in writing.

13.2 Within fourteen (14) calendar days of TTEP having sent a specification of changes as referred to in Clause 13.1, the Supplier shall notify TTEP of the ensuing price and delivery implications. TTEP shall have the right to dissolve ('ontbinden') the Agreement if the price and term of delivery are not acceptable to TTEP. TTEP shall not make unreasonable use of its right to dissolve the Agreement. In the event of dissolution of the Agreement, TTEP shall reimburse the Supplier for all reasonable costs incurred up to that point in time in direct relation to the dissolved Agreement.

CLAUSE 14

Resources

14.1 All materials, personal safety and other equipment and tools, drawings, models, instructions, specifications, computer software, tools and other resources that serve to support the Goods in any way whatsoever and that have either been provided to the Supplier by TTEP or have been purchased or made by the Supplier at TTEP's expense shall remain or become the property of TTEP at the moment of purchase or construction. All resources shall be of suitable quality.

14.2 As long as the Supplier holds the resources referred to in Clause 14.1 for TTEP, the Supplier shall be obliged to identify them as the property of TTEP, to keep them in a good state of repair and to insure them at its own expense against all risks. Moreover, the Supplier shall do everything within its power to enforce all of TTEP's rights in the resources and shall inform TTEP forthwith of anything that may be relevant to TTEP in connection with the resources and the enforcement of TTEP's rights therein. The risk of loss or damage to the resources shall be for the Supplier from the time that they are supplied to the Supplier.

14.3 The use of such resources shall be entirely at the Supplier's risk.

14.4 The Supplier shall hand over the resources to TTEP upon the latter's first request, but no later than the moment of delivery of the Goods to which the

resources relate.

14.5 The Supplier shall only be entitled to use the resources for the purposes of and in connection with the supply of Goods to TTEP, except where TTEP consents to any other use in writing.

14.6 Changes to or deviations from the resources provided or approved by TTEP shall only be permitted with TTEP's prior written approval.

14.7 The Supplier shall be under an obligation to notify TTEP if it is aware, or should reasonably be aware, of the fact that the materials and/or processes provided by or on behalf of TTEP are unsuitable or flawed.

CLAUSE 15

Invoicing and Payment

15.1 For each separate delivery, an invoice bearing the relevant order number shall be sent, either together with the Goods supplied or promptly after they are delivered, to the invoice address reported by TTEP. Unless agreed otherwise in writing, the invoices shall specify in full the quantities and types of Goods supplied and shall meet such other requirements as TTEP may make.

15.2 Payment shall be made within sixty (60) calendar days of the receipt of the invoice (unless the Agreement stipulates a different payment term), provided that the Goods have been duly received by TTEP and TTEP has made no objection within the said term regarding the manner in which the Agreement has been performed. Payment shall in no way constitute any waiver of rights. However, for Services, payments may be linked to milestone completions as outlined in the Agreement.

15.3 TTEP may offset any outstanding payments against amounts due from the Supplier, including penalties under Clause 5.

15.4 The Supplier shall submit the invoice after the agreed completion date but no later than three (3) months following the completion of the work. Invoices received beyond this period may be rejected by TTEP unless otherwise agreed in writing.

CLAUSE 16

Inspection, Testing and Examinations, Goods that are not in conformity with the Agreement

16.1 TTEP may inspect, test and examine the Goods before, upon and following delivery. To this end, the

Supplier shall grant TTEP or its authorized representatives access to the places where the Goods are manufactured or stored, and shall lend its full cooperation to the relevant inspection, testing or examination desired by TTEP. Cooperation in this regard shall also include the provision of all requisite documents and information, at the Supplier's expense.

- 16.2** The Supplier shall inform TTEP in a timely fashion of the times at which the Goods can be inspected, examined or tested; TTEP shall not be obliged, however, to have the relevant work carried out at the times specified by the Supplier.
- 16.3** The Supplier shall be entitled to attend the inspections, examinations and tests.
- 16.4** TTEP and the Supplier shall bear their own costs involved in any inspection, examination and testing.
- 16.5** Should any inspection, examination or testing before, upon or following delivery result in a full or partial rejection of any Goods, TTEP shall report this, or shall have this reported, to the Supplier in writing. If the Supplier is not already in default ('verzuim'), this report shall serve as a notice of default ('ingebrekestelling'), in which TTEP shall also give the Supplier the opportunity to still deliver Goods as ordered within a reasonable period of time. Should the Supplier fail to make use of this opportunity or fail to make proper delivery, TTEP shall have the right to dissolve the Agreement without further notice. TTEP shall also have this right to dissolve the Agreement if the nature or purpose of the Goods concerned renders a new delivery impossible or useless.
- 16.6** If any Goods are rejected upon or following delivery, TTEP shall be deemed not to have assumed ownership or the risk of loss or damage, which shall be deemed to have remained with the Supplier.
- 16.7** TTEP shall have the right to repair or replace Goods, or to have Goods repaired or replaced, at the Supplier's expense if TTEP may reasonably assume from consultations with the Supplier that the Supplier is unwilling or unable to arrange for proper and timely repair or replacement. In pressing circumstances, TTEP may take any such action without having consulted the Supplier.
- 16.8** TTEP may engage an independent body to inspect, examine and test the Goods, and the results shall be binding upon both TTEP and the Supplier.
- 16.9** In pressing circumstances, if it may reasonably be assumed that the Supplier is unwilling or unable to meet its obligations under the Agreement, TTEP shall

be entitled to require the Supplier to contract one or more third parties to perform the Agreement in whole or in part at the Supplier's risk and expense. The Supplier shall not thereby be released from its contractual obligations. TTEP may also negotiate performance of the Agreement directly with one or more third parties of its choosing, at the Supplier's expense.

CLAUSE 17

Confidentiality and Data Protection

- 17.1** The Supplier agrees to treat as confidential any and all information directly or indirectly obtained from or with regard to TTEP to the extent that the Supplier knows said information to be confidential in nature or should reasonably be expected to recognize the confidential nature thereof.
- 17.2** The Supplier shall have its sub-suppliers assume a similar obligation of confidentiality in writing or shall require any such party to sign the declaration of confidentiality provided by TTEP.
- 17.3** If the Supplier of Services processes personal data on behalf of TTEP, the Supplier shall comply with applicable data protection laws, including GDPR, and enter into a Data Processing Agreement with TTEP. The Supplier shall implement and maintain robust security measures to protect TTEP's data and infrastructure.
- 17.4** Without TTEP's prior written consent, the Supplier shall not make any public announcements as regards the performance of the Agreement or maintain any direct or indirect contact with any of TTEP's customers.
- 17.5** The Supplier shall not reproduce or allow any third party access to documents relating to the Agreement (including drawings, diagrams and so forth), except by written permission of TTEP.
- 17.6** Without TTEP's prior written consent, the Supplier shall not use any such Goods as have been developed jointly with TTEP for the benefit of any third party.
- 17.7** Upon termination of the Agreement, the Supplier shall promptly and at its own expense surrender to TTEP any and all documents and other information (if any) provided by TTEP to the Supplier or collected by or on behalf of employees or subcontractors of the Supplier in the performance of the Agreement.

Intellectual Property

- 18.1** The Supplier warrants that the use, including the resale, by TTEP of any Goods supplied by the Supplier or any resources purchased or made by the Supplier on TTEP's behalf shall not constitute an infringement of any intellectual property rights or other rights held by any third party. Insofar as such Goods or resources are subject to any right of a third party, the Supplier shall ensure that TTEP is granted a right to use the said Goods or resources without thereby incurring any additional cost over and above the agreed purchase price. TTEP shall be entitled to negotiate the right to use such Goods or resources directly with the third party or parties concerned, at the Supplier's expense.
- 18.2** Should the use of any Goods or resources as referred to in Clause 18.1 prove or threaten to constitute an infringement of any right held by a third party, the Supplier shall be obliged either:
- to replace the relevant Goods or resources with equivalent goods that will not infringe on the rights of any third party; or
 - to obtain a right to use the Goods or resources in question; or
 - to alter the Goods or resources in question in such a way that their use ceases to be an infringement of any third party's rights; all of this
 - in consultation with TTEP; and
 - a) without TTEP incurring any additional cost over and above the agreed purchase price; and
 - b) without leaving TTEP in possession of Goods and/or resources that are more limited in use than those originally supplied.
- 18.3** Any intellectual property, proprietary materials, or work product developed as a direct result of the Services performed under the Agreement shall be the exclusive property of TTEP unless otherwise agreed in writing.
- 18.4** The Supplier grants TTEP a perpetual, irrevocable, worldwide, royalty-free license to use any pre-existing intellectual property incorporated into the Service Deliverables.
- 18.5** The Supplier shall not, without TTEP's prior written consent, use or reproduce any Service Deliverables for third parties.
- 18.6** The Supplier shall indemnify and hold TTEP harmless from and against any and all claims or penalties resulting from any infringement of rights held by a third party, and shall reimburse TTEP for any loss or damage resulting from such infringement.
- 18.7** If any third party holds TTEP liable for having infringed

its rights and presents a prima facie case in support of its claim, TTEP shall be entitled, without prejudice to its other rights, to dissolve the Agreement in full or in part without court involvement by giving written notice of termination.

CLAUSE 19

Spare Parts

- 19.1** The Supplier shall be obliged to hold spare parts, component parts, special tools and gauging devices in stock for such a period as is regarded as reasonable for the item in question in the relevant industry; this obligation shall apply equally to items no longer in production. TTEP shall be entitled to require that the Supplier inform TTEP as to when the production of a specific item will be terminated.
- 19.2** If the spare parts, component parts, special tools and gauging devices turn out to be no longer available upon the time they are requested, the Supplier shall provide to TTEP such spare parts, component parts, special tools or gauging devices of equivalent quality.

CLAUSE 20

Assignment

- 20.1** The Supplier may not assign in whole or in part any of its rights or obligations under the Agreement without TTEP's prior written consent.
- 20.2** Any consent given by TTEP under the terms of this Clause 21 shall not release the Supplier from its responsibility and liability for the conduct of its sub-suppliers.
- 20.3** TTEP may assign its rights and obligations under the Agreement, for which the Supplier hereby beforehand and irrevocably grants its consent and cooperation in accordance with article 6:159 of the Dutch Civil Code, to any of its subsidiary companies, as defined in Section art. 2:24a-c of the Dutch Civil Code.
- 20.4** TTEP may assign its obligations under the Agreement to third parties if it has obtained the Supplier's prior consent thereto. The Supplier shall not withhold its consent on unreasonable grounds.

CLAUSE 21

Liability

- 21.1** The Supplier shall be liable for all damages resulting from breach of contractual obligations or non-compliance with laws and regulations, except in cases of force majeure as defined in Clause 23.

- 21.2** The Supplier shall indemnify and hold TTEP harmless from and against all third party claims for compensation of any loss or damage as a result of or in connection with either the Supplier's performance of the Agreement for Services or the Goods supplied by the Supplier. For the purpose of this Clause 21.2, persons employed by or working for TTEP shall also be considered to be third parties.

CLAUSE 22

Subcontracting

- 22.1** The Supplier may not subcontract any third party to perform all or part of its obligations under the Agreement without TTEP's prior written consent. TTEP shall have the right to attach conditions to any such consent.
- 22.2** If the Supplier subcontracts all or part of its obligations under the Agreement to any third party with TTEP's consent, the Supplier shall ensure that the provisions of the Agreement remain effective, where possible, under the agreement between the Supplier and the said third party.
- 22.3** Any consent given by TTEP under this Clause shall not in any way affect the Supplier's liability and responsibility for the conduct and actions of its subcontractors and subsuppliers.

CLAUSE 23

Force Majeure

- 23.1** The following events shall never be deemed force majeure (niet toerekenbare tekortkoming) as defined in article 6:75 of the Dutch Civil Code: any staff shortage, strikes or absenteeism due to illness within the Supplier's business, late supplies or unfitness of materials, a breach of contract or an event of force majeure on the part of the Supplier's subsuppliers and/or cash flow or solvency problems on the Supplier's part.

CLAUSE 24

Termination of the Agreement

- 24.1** TTEP may terminate the Agreement prematurely for convenience by giving the Supplier written notice of termination. The Supplier shall immediately cease performance of the Agreement upon receipt of any such written notice. TTEP and the Supplier shall then discuss the consequences of termination based on the assumption that the Supplier is entitled to reasonable compensation, but not to compensation for loss of profit or production. The provisions of this

Clause 24.1 shall not apply to the situations referred to in Clause 24.2.

- 24.2** If the Supplier of Goods or Services defaults on its obligations under the Agreement or fails to meet the agreed performance or quality standards of a Service, if the Supplier is wound up, files a request for bankruptcy (faillissement), is declared bankrupt or is granted a suspension of payments (surséance van betaling), if the Supplier's business is sold, closed down, liquidated, if there is any material change in the direct or indirect ownership in the share capital of the Supplier or any other change of control regarding the Supplier, or if the Supplier's business is the subject of any similar event under applicable laws, the Supplier shall be in default by operation of law and TTEP shall be entitled:

- a) to unilaterally terminate the Agreement in whole or in part by giving the Supplier written notice of termination;
- b) to defer payment as referred to in Article 37 of the Dutch Bankruptcy Act ('Faillissementswet');
- c) to engage the services of one or more third parties to perform the Agreement in whole or in part at the Supplier's risk and expense, all of this without TTEP being liable to make any reparation to the Supplier, and without prejudice to any of TTEP's other rights, including the right to claim full compensation.

- 24.3** If the Agreement is terminated pursuant to Clause 24.2, the Supplier shall refund the payments already made by TTEP, plus legal interest on any such payments as from the date of payment. If the Agreement is terminated in part only, the refund obligation shall apply exclusively to the payments relating to the part terminated.

- 24.4** All claims which TTEP may have against the Supplier shall be payable immediately and in full if any of the events referred to in Clause 24.2 occurs.
